

STATIONS OF THE CROSS

NEAR HAYDEN PARK

Thank you to parishioners Sue Carlilse and Lawrence Peter for these outdoor stations of the cross. If you park in the main parking lot of Hayden Park, you can easily access these stations, surrounding a parishioners property using the following map. Everyone is welcome to use these stations to reflect on our Lord's passion through the season of Lent.

STATIONS OF THE CROSS

Off Half Moon Lake Road

A parishioner has graciously opened their property to a **second outdoor stations of the cross**. If you are driving past Hayden Park on Barber Drive, turn north on to Half Moon Lake Road, and the property is **the first driveway on the left** after turning North. **Please do not park in the driveway, as residents need to come and go.** Thank you to parishioners Michael Jordan and Lawrence Peter for these stations.
